Press N Tear This peel & stick tear away backing has a paper release backing and pressure sensitive adhesive. It is used for items that are difficult to hoop that are too small, delicate or bulky for your hoop. Can also be used for emblems. Just hoop your stabilizer, peel back the paper and stick your item down to it. Eliminates the use of spray adhesives.

9" x 10 yds - Item #press-9

12" x 10 yds - Item #press-12

For optimal use, please note that you must use either a SILICONE or TEFLON spray on your needles.

Embossed Cold Water Soluble Topping Film - For toweling or items with a pile or nap. Use on top of fabric to control the pile of the terry. Stitching cuts stabilizer making it easy to remove. No stretch in any direction. Excess dissolves with water or in laundry.

12" x 55 yds - Item #film-3050

15" x 55 yds - Item #film-3850

Washaway Tearaway #EMB1720 (RinsAway Tearaway #T110) Gives added stability without a bulky backing underneath it. Hoop stabilizer and embroidered item. Embroider and tearaway excess. Dissolves in warm or cool water with several launderings.

12" x 25 yds - Item #1537

15" x 10 yds - Item #1539

TRANS WEB™ - Fusible interfacing #4000-7 A substitute for Steam-A-Seam™

Perfect for making appliques, apply trims and ribbons, fuses two fabrics together very easily. Sold by the roll. Very user friendly.

9" x 5 yds Item #trans-9

Fuse **Cloud Cover Stitch** over the back of a finished design to cover scratchy stitches on the backside of embroidery designs. It is soft and sheer - ideal for baby garments, golf shirts, or tees. Anywhere to avoid a scratchy irritant to the skin! **Cloud Cover Stitch** has a very unique multi directional stretch. It bonds at a moderate temperature with your fabric but will in no way adversely affect the bulk or drapability of your garment. It is also used on silks and satins in order to arrest any unraveling or shredding while sewing.

Cloud Cover Stitch is not a stabilizer.

12" x 10 yds - Item #cloud-10yd

Lite Steam-A-Seam 2 Double stick lightweight fusible web has a pressure sensitive adhesive that allows for a temporary hold to your materials. There is no pressing until your entire applique is in place. Once fused, the bond is strong and permanent. NOW PRINTER FRIENDLY and comes with a grid on the paper. **Comes in packages of 5 sheets, 9" x 12" sheets - Item #steam-5417**
